The **Journal of Nature Studies** is an online, open access, peer-reviewed journal in English that publishes reports of original research in the natural and applied sciences (agriculture, biology and its allied fields including studies on social sciences as related to nature and the environment). It also publishes notes and reviews on relevant and timely subjects on nature. The Journal of Nature Studies aims to cater to global or international readership thus the broad composition of its Board of Editors/Reviewers. Two issues a year comprise a volume. Supplements may be issued anytime as necessary.
